## Welcome to HLF2021

This year's theme is 'Escape' – and we'd love you to join us for a much-needed escape from the everyday!

Our March Festival will feature an exciting programme of online talks, performances and creative writing workshops to enjoy from the comfort of your home.

On 23 March we will be commemorating the anniversary of the first lockdown by lighting up the LBT courtyard with a special Lockdown Lantern Installation. And on 28 March, we will launch an outdoor Book Trail across Huddersfield.

Later in the spring/summer, we'll be bringing you a fantastic programme of indoor and outdoor events, from a talk by the Queen of Crime Val McDermid, to the Stafflex Treasure Hunt. HLF is now accredited as a Safer Events organiser and we look forward to running these events as soon as it's safe to do so.

Arts and culture have provided a lifeline for many in these challenging times and we can't wait to see you all again – whether online or in person.
